Leadership Certification Program

Level 3

Department of Women's Ministries
General Conference of
Seventh-day Adventists

Dear Participant

This Leadership Certification program has come about because we realize the great need for the women of our church to develop skills that will enable them to serve in many leadership areas as we seek to fulfill the mission of the church.

E. G. White reminds us that “*There is a higher purpose for woman, a grander destiny. She should **develop and cultivate her powers, for God can employ them in the great work of saving souls from eternal ruin.***” *Evangelism*. 465

Developing and cultivating the abilities of women is one task of this department, and one to which we are committed

You hold in your hand Level Three of this certification program. It is the joint effort of many women who have given of their time and abilities unselfishly. Without them this project would never have been completed, and we thank them for their input.

The curriculum for this program has been divided into eight subject areas. They are:

- History and Philosophy (HP)
- Biblical Studies (BS)
- People Skills/Personal Growth (PS)
- Speaking Skills (SS)
- Leadership Skills (LS)
- Writing Skills (WS)
- Nurture Projects (NP)
- Outreach Projects (OP)

Due to the many subjects covered in the curriculum (about 58 in all) it was decided to divide the program into three levels. Each level will contain seminars from each of the eight subject areas of the curriculum.

In order for certification to be awarded the participant must complete the required

courses in a particular level. These are called **Core Requirements**. In addition to this, the participant must also complete three other seminars of their choice from among the remaining courses, called **Electives**.

Following is an outline of this Level Three in this Leadership Certification course.

Each level will be implemented at the conference/mission level on a yearly basis. This means in three years a participant will have completed all three levels and received three certificates.

It is our desire to see women who are called of God for service in these last days empowered to lead.
